Swar Shastra Interpretation

- **[GENERAL]** A deep, low voice — grounded, steady, practical and reliable; a calming, authoritative presence.
- **[GENERAL]** Short, decisive pauses — energetic, direct and action-oriented speech.
- **[GENERAL]** A low pitch shows gravity and calm — a grounded, dependable and self-posessed nature.
- **[CAREER]** Short pauses reveal decisiveness and urgency — a doer who acts without hesitation.
- **[CAREER]** Strongly stressed, emphatic speech marks confidence, authority and leadership.
- **[GENERAL]** A bright, forward tone (high spectral centroid) shows an alert, quick and expressive temperament.
- **[CAREER]** High vocal energy shows vigour, enthusiasm and an active, driven nature.
- **[SPIRITUALITY]** A low voice-activity ratio (sparing speech) shows a reserved, reflective and inward nature.
- **[RELATIONSHIPS]** A pure, clear timbre shows refinement, harmony and an artistic, pleasing nature.
- **[GENERAL]** Medium voice (balanced pitch and energy) — Venus/Moon: amiable, balanced and cooperative.

Summary

A deep, low voice — grounded, steady, practical and reliable; a calming, authoritative presence. Short, decisive pauses — energetic, direct and action-oriented speech. A low pitch shows gravity and calm — a grounded, dependable and self-posessed nature. Short pauses reveal decisiveness and urgency — a doer who acts without hesitation. Strongly stressed, emphatic speech marks confidence, authority and leadership. A bright, forward tone (high spectral centroid) shows an alert, quick and expressive temperament. High vocal energy shows vigour, enthusiasm and an active, driven nature. A low voice-activity ratio (sparing speech) shows a reserved, reflective and inward nature. A pure, clear timbre shows refinement, harmony and an artistic, pleasing nature. Medium voice (balanced pitch and energy) — Venus/Moon: amiable, balanced and cooperative.
